<u>Discussion</u>
As source control and to facilitate working together remotely, GitHub was used to store our work. Each time we worked, both team members were present.

All work was done in person, together since we have the same residency.

WORK Log:

April 26, 2021, 4 hours
Initial setup and research

April 29, 2021, 4 hours
Skeleton bug fixing and initial broadcasts

May 1, 2021, 3 hours
Usernames

May 2, 2021, 5 hours
Colors and start of rooms

May 3, 2021, 4 hours
Finishing of rooms and bug fixes
